

RESOLUTION #720

BE IT RESOLVED by the Mayor and City Council that the water rates are set per this resolution and said rates will remain in effect until as such time the Mayor and City Council deem it necessary to review said rates.

The following is established as a tariff of water rates to consumers based on quarterly consumption:

\$1.50 per 1,000 gallons of water

Following are the customer charges per pipe size:

- ¾-1" \$55.00 per quarter (\$18.33 per month)
- 1 ¼" \$78.50 per quarter (\$26.17 per month)
- 1 ½" \$122.00 per quarter (\$40.66 per month)
- 2" \$205.50 per quarter (\$68.50 per month)
- 3" \$345.50 per quarter (\$115.17 per month)
- 4" \$498.00 per quarter (\$166.00 per month)

The usage charge, based on the quarterly water consumption, and the customer charge shall be added together to determine the quarterly charge to the customer, PROVIDED, however, that the customer charge for residential and commercial shall be paid monthly and the usage charge shall be paid quarterly for residential and monthly for commercial; and provided that the rates herein established shall take effect with the April, 2020 bill due in May.

Provided, further, that in the event the service is discontinued after notice to the Utilities Superintendent, the consumer shall pay a pro rata amount of the quarterly customer charge plus usage for actual consumption.

Councilman Horne made the motion to approve said resolution and was seconded by Councilman Mahin.

Yea: Horne, Goebel, Mahin

Nay: none

PASSED AND APPROVED THIS 7th DAY OF APRIL, 2020.
