Red Cloud Historic Preservation Commission
Historically Appropriate Repairs and/or Restorations Grant

Application for Funding

For the grant period July 1, 2020 through January 31, 2021

The Red Cloud Historic Preservation Commission (HPC) was created under City Ordinance 11-501 and is comprised of seven to nine citizens appointed by the Mayor and City Council of Red Cloud.

The Red Cloud HPC will award mini-grants for historically appropriate repairs and/or restorations to the exteriors of properties listed on the Red Cloud Historic Register or located as a contributing resource in one of the four National Historic Districts in Red Cloud, or listed individually on the National Register of Historic Places in Red Cloud. If you would like your property considered for the Red Cloud Historic Register, please contact the HPC and we will be glad to assist you in its consideration.

Funds available for awards during the grant period vary and the amount awarded to each applicant will depend upon the number of grants approved by the HPC.

Copies of the local Red Cloud Historic Register are available for viewing at the Red Cloud City Hall, or on the city website www.visitredcloud.com.

All completed applications must be received by or postmarked no later than July 7, 2020 at 540 N. Webster Street, Red Cloud, NE 68970. Funded grants will be announced following the July & August HPC meetings.

Grant recipients must follow the U. S. Department of Interior “Secretary of the Interior’s Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings” and Red Cloud’s “Design Guidelines,” copies of which are available at the Auld Public Library.

To receive reimbursement for up to the amount of the grant, grant recipients must complete all project work during the grant period (beginning and end), and should present to the HPC an itemized bill and receipts for the work upon completion.

The HPC reserves the right to accept or reject any application, and assumes no responsibility for obtaining government approvals if any, (e.g. municipal building permit) for the work to be done.

If you need help filling out your grant application and considering historical repairs to your building, the HPC would be glad to help. Please contact the City Office to get in touch with an HPC member who can help or contact Dan Benedict at (402) 746-2440 and leave a message.
