ABOUT

OUR CELEBRATION:

The Red Cloud Community Foundation Fund (RCCFF) successfully completed the Rural Development Philanthropy (RDP) Challenge, raising over \$300K for its unrestricted Legacy Endowment. Thanks to 549 different donations from 246 unique donors, we were able to receive \$100K in matching funds from the Sherwood Foundation in Omaha. The increased payout will double our grant making capacity and ensure that there's money for Red Cloud projects for years to come. It will also allow us to continue supporting and nourishing projects such as Tourism Development & The Valley Child Development Center.

OUR MISSION:

The mission of the Red Cloud Community Foundation Fund is to promote the community's rich heritage, support its sustainability, encourage community participation and invest in projects that will make a positive impact on people's lives while growing our assets and endowment to fund strategic opportunities.
