## About the September Month of Giving Campaign

Launched in 2020, the September Month of Giving campaign affords the Red Cloud Community Fund (RCCF) the opportunity to give back to the community immediately. Funds raised for the campaign between Sept. 1 to Sept. 30<sup>th</sup> are granted out to local causes and organizations before the end of the calendar year. Last year, our fund raised over \$15K! Thanks to the generous support of donors and sponsors we were able to award \$2500 grants to The City of Red Cloud's Historic Preservation Commission, Cherry Corner Estates Assisted Living Center, and Webster County Senior Services and \$2K grants to The Valley Child Development Center's (TVCDC) Outdoor Classroom and to RCCF's Youth Committee.

This year, we've selected some great causes for you to support. The **RC Ballfields Improvement Project** would result in a new concession stand, improved bathrooms and storage space, as well as a new crow's nest. Our own Recreation & Health subcommittee is exploring options for a **Recreation Trail** around the community, and we continue to try and build resources for community improvement projects identified by our **Youth Committee**. South Central State Bank has given the **Hotel Garber** Steering Committee a Challenge to raise \$25K in local support by the end of the year which they will match.

We will also accept donations during September for ongoing support of **TVCDC** and **Heritage Tourism Development** as well as the **Historic Preservation Commission**.
