

RESOLUTION #621

A resolution of the City of Red Cloud, Webster County, Nebraska, to set Sewer Rates, and to repeal all prior ordinances and/or resolutions in conflict therewith.

The following is established as a tariff of sewer rates to consumers based on the amount discharged into the sewer system as measured by water consumption:

Type of service	Usage charge	Minimum charge
Residential	\$2.00 per 1000 gallons	\$12.00
Commercial	\$2.00 per 1000 gallons	\$13.00

The usage charge shall be based on the user's monthly water consumption; PROVIDED, however, that for residential users monthly water consumption shall mean the average monthly water consumption for the months of November, December, January, February and March preceding, and for commercial users it shall mean the actual consumption for the month.

The rates herein established shall be effective with the utility bill due in October, 2014.

Passed and approved this 5th day of August, 2014.
