About the September Month of Giving Campaign

Launched in 2020, the September Month of Giving campaign affords the Red Cloud Community Fund (RCCF) the opportunity to give back to the community immediately. Funds raised for the campaign during the event will be deposited in our General account and granted out to local causes and organizations before the end of the calendar year. Over the last two years, our fund has raised more than \$39,000! That money has been granted to: 1) the City of Red Cloud to support the Recreation Trail project, Illian Ballfield Improvements, Cherry Corner Estates, and Historic Preservation projects; 2) The Valley Child Development Center for playground improvements; 3) Webster County Senior Services; 4) Heritage Tourism Development; 5) Hotel Garber; and 6) the RCCF Youth Group.

The RCCF Board will vote on what to grant the funds to in November or December 2022. This year's fundraising objectives for RCCF are Heritage Tourism Development, the Red Cloud Recreation Trail, and the RCCF Youth Group. We need to raise money for Heritage Tourism to ensure the office's long-term sustainability and maintain positive momentum happening in Red Cloud. We simply cannot risk losing Heritage Tourism Development as it is the driving force behind much of this momentum. The Red Cloud Recreation Trail would immeasurably enhance the quality of life in Red Cloud and offer safer routes for pedestrians. The RCCF Youth Group needs support so that it can make a bigger impact in the lives of local youth and the community.
